Our massage team advises: "Massage therapy should be tailored to you, but generally we recommend 1–2 sessions per week for acute issues during the first weeks. For chronic problems, regular treatments every 7–10 days over 3–6 months work best. For maintenance or prevention, a monthly visit is enough."

Discover our exclusive Kneipp treatment offerings

At Terme Snovik, we proudly carry forward the tradition of natural healing begun in 1891 by the Kurhaus health resort in Kamnik. Inspired by Sebastian Kneipp, a pioneer of natural therapy who developed a holistic system from his own healing journey, we embrace his five pillars: water, herbs, exercise, healthy nutrition, and lifestyle. By integrating Kneipp treatments into our wellness program, we offer you refined experiences designed to boost vitality, balance, and inner calm.
