Obvezno razkuževanje rok ob vstopu na bazensko kopališče, ob vstopu in izstopu iz sanitarnih prostorov, ob vstopu in izstopu iz garderobnih prostorov oz. kabin za preoblačenje.

Mandatory disinfection of hands at the entrance to the swimming pool area, at the entrance and exit from the sanitary facilities, at the entrance and exit from changing cabins.

Obvezno tuširanje pred vstopom in izstopom iz bazenskega kopališča.

Mandatory showering before entering and exiting the swimming pool area.

Za zagotavljanje visokih varnostnih in higienskih standardov redno prezračujemo vse zaprte prostore. Dosledno čistimo in razkužujemo bazenske ploščadi, vodne atrakcije in igrala. Redno razkužujemo vse kontaktne površine, npr. ograje, držala, prijemale, kljuke in ostale površine, ki se jih obiskovalci pogosto dotikate z rokami.

Skupno opremo (npr. ležalnike, ročaje senčnikov ...) razkužimo dnevno pred začetkom obratovanja kopališča in pred menjavo uporabnika.

To ensure high safety and hygiene standards we regularly ventilate all enclosed spaces. We consistently clean and disinfect all pool platforms, water attractions and playgrounds. We disinfect regularly throughout the day - door-handles, fences ... and all other surfaces that visitors often touch with hands.

All common equipment like deckchairs are disinfected daily before pool opening and before switching the users.
