KNEIPP TREATMENTS to increase general well-being:	DESCRIPTION	MIN	EUR
»Smooth digestion«	Get rid of digestive problems quickly and naturally. Digestive problems usually cause a malaise and bloated feeling. Kneipp's natural treatment for better digestion, which includes abdominal massage and reflex foot massage, delivers excellent results, making you feel relaxed and easy.	40	47,00
»A good night sleep«	Helps with daily nuisances such as stress and insomnia. We begin the therapy with an anti-stress massage to stimulate certain points on the face, arms, legs and back. This is followed by Kneipp's knee affusion to calm the body, which well affects the circulation of the skin and muscles. After the treatment you are relaxed and ready for a long and good night's sleep.	60	49,00
»Tension relief massage«	Relaxation often reduces fatigue and headaches, immediately improving wellbeing. With special "Balm" massage techniques your face, neck, décolletage, hands, legs and back will be relaxed. Kneipp's hand and face water cure treatment improve the circulation in the skin and releases muscles. After the treatment, you will feel relaxed and calm.	60	49,00
»Smooth skin«	Improves blood circulation and reduces tension. With a brush made of natural materials, we first remove dead skin cells; this is followed by a 50-minute full body massage with natural oils, which nourish the skin. We improve the circulation and revive the skin with the cold Kneipp full-body water cure. Your skin is then soft and smooth and the feeling is wonderful.	70	67,00
»Painless back«	Muscle tension in the neck or lumbar spine is first relaxed with the increasing Kneipp water cure treatment, which improves circulation and reduces pain. This is followed by a 40-minute pain relief back massage. The back is then relaxed and the feeling is easy.	50	54,00
»Lighter legs«	For tired, heavy legs, the cold Kneipp leg water cure treatment, which improves circulation and reduces fatigue, is recommended. This is followed by a 40-minute massage of the legs with rosemary essential oil that stimulates the body and mind. Your legs become light and your walk is relaxed and lively.	50	49,00
